

HELP YOUR NEIGHBOR

Project Share is a plan, created by your municipal utility, to assist disadvantaged households in paying their wintertime energy bills.

You can help by adding a tax-deductible *PS* contribution to your monthly utility payment or by making a one-time contribution to Project Share. These funds will then be distributed to neighbors in need for wintertime energy costs.

Mid Sioux Opportunity will qualify persons who need help and then distribute your Project Share contributions to help pay utility bills for those in need.

So please, add a *PS* - Project Share - to your utility payment each month. Its a simple way to share some warmth with those who need it.
