***The entire first night will be a practice. The second night will be batting practice. When assigned a skill, practice that skill both nights that week for the first 15 minutes before you play your game.

Due to the number of players signed up 3rd/4th softball we will only have two teams this year. To avoid having the same two teams play each other each night, we have kept the girls in one group. They will be split into 2 teams at the coach’s discretion. One team will wear pennies to help distinguish teams.
